Welcome to ABES-2018

About the Conference

The First International Conference on Advances in Business and Engineering for Sustainability (ABES-2018) is aimed to address various issues to prosper the creation of sustainable environment in business and engineering. The aim is to bring together worldwide leading researchers, developers, practitioners and educators interested in advancing the state of the art of business & engineering.

The conference will provide platform to the researchers, academician and industry professionals to discuss the utmost solutions, scientific results and methods.

The two days conference commencing on 27-28th March, 2018, will feature prominent keynote speakers, tutorials and paper presentation in parallel sessions.

Scope

It is the purpose of the conference to provide resources, which will help faculty to develop as scholar, to publish, to share insights both within the community and at professional conferences.

This conference provides an opportunity for researchers, academicians, scientists and professional engineers to present their work, publish their results, exchange ideas and create network for scientific and industrial collaborations. The emphasis will be on peer-reviewed papers with high technical quality. The selected papers will be published in the conference proceedings.

About ABES Engineering College

ABES Engineering College is affiliated to Dr. A. P. J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow. ABES EC has been established in year 2000 with the objective of providing education in Engineering & Management. The programs offered by the institute include various verticals under Bachelor of Technology (B. Tech) i.e., Computer Science & Engineering, Information Technology, Electrical & Electronics Engineering, Electronics & Communication Engineering, and Mechanical Engineering and Civil Engineering. The post graduate courses include MBA, MCA and M. Tech. ABES EC is approved by AICTE and Ministry of HRD, Government of India. The college is ISO 9001:2008 certified, NAAC Accredited & NBA Accredited (CSE, ECE & ME). The college, as per NIRF, has ranking 151-200 and in terms of 1st year University (AKTU) results has achieved No.1 position. The institute has received Star Performance Award for Academic Excellence & Certificate of Appreciation Award from the University. The institute has various centres of excellence for professional development of students.
